**NOTICE - PLAYGROUP**

Dear Parents,

Keeping in view the innovative and play-way teaching methodologies adopted in the pre-primary teaching, we send **cut-outs related to the alphabet** introduced in the class, in order to make learning a fun-filled activity. The cut-outs are specially made with the hard work of the teachers and therefore, we expect our parents to preserve these cut-outs sent to you day to day. At the year end, the parent along with the child who displays the best presentation of the cut-outs will be awarded a certificate.
