SENSITIZING YOUNG MINDS

HERITAGE WALK

The Student's Council of DPS Kalyanpur took the initiative to unravel the long forgotten cultural and natural heritage of Bithoor by taking a Heritage and Photography walk to the Brahmaurat Ghat on Saturday, 28 September, 2019. The students learnt about the facts related to the British era, how Britishers killed and hanged around 25,000 Bithoor men and women, including children, from 9 to 90 years of age. The dead bodies were hanged from trees so as to spread terror, thus how important was Bithoor as the centre of freedom struggle. The students clicked aesthetic pictures, got to know the spiritual and mythological importance of the site and enjoyed the pleasant weather. Heritage walks are important for students to connect them to their culture, origin and roots, and how people without them are like trees without roots.

TEEN TALK

The Editorial Board and Student Council 2019-20 organised the maiden edition of Teen Talk. The purpose of organising this affair was to provide the students of DPSK a platform where they can share their experiences and ideas non hesitantly. In order to encourage students for the same, the event does not set any boundary that might restrict students to express freely. We thank our esteemed principal ma'am for helping us to make this event a reality, when this was a mere thought germinating in the mind of our students council who took the baton to organise the event. It is highly imperative to listen to what the teens have to say, keeping emotions suppressed is not the right way of dealing with teen problems, thus here arises a need for free emotional expression about the teen issues that we face and having 'Teen-Talk' is more than just important. Students talked about fighting anxiety, depression and stepping out of their comfort zone. They had a fruitful discussion on importance of having a sound mental health.
